### MESSAGE

It gives me immense pleasure to learn that Department of Fertilizers is observing Swachhta Pakhwara form 1<sup>st</sup> September to 15<sup>th</sup> September, 2018.

I have also been informed that all the Organisations and Public Sector Undertakings under the aegis of Department of Fertilizers are participating in the Swachhta Mission with utmost dedication and enthusiasm. Moreover, each one of us, directly or indirectly aligned with the Fertilizer Industry has extended its support for the movement. I am confident that the overwhelming support of the Fertilizer Industry all over the country to the Swachhta Abhiyan will definitely make a visible impact and enable us to realize the dream of Mahatma Gandhi of "Clean India" by 2<sup>nd</sup> October, 2019 i.e. 150<sup>th</sup> Anniversary of Mahatma Gandhi.

I once again extend my heartiest felicitations and wish the Swachhta Pakhwara a grand success.
