Subject: Extension of the Revised Energy Norms of NUP-2015 for 14 urea manufacturing units.

Sir,

I am directed to refer to this Department's Notification No. 12012/1/2015-FPP dated 25th May, 2015 regarding New Urea Policy for existing gas based urea manufacturing units and subsequent Notifications dated 28th March, 2018 and 7th July, 2020 regarding Revision of Energy Norms under New Urea Policy – 2015 and to convey the approval of the CCEA on the following decisions:

(i) The provisions of notification dated 7th July, 2020 extended for 14 urea manufacturing units viz, KRIBHCO-Hazira, NFL-Vijaipur-I, NFCL-Kakinada-I, KFL-Shahjahanpur, NFCL-Kakinada-II, GNFC-Bharuch, GSFC-Vadodara, KFCL-Kanpur, SFC-Kota, RCF-Trombay-V, ZACL-Goa, NFL-Nangal, NFL-Bathinda and NFL-Panipat up to 30th September, 2022 or till the units achieve the Target Energy Norms (TEN), whichever is earlier, with the penalty equivalent to 10% energy of difference between NUP energy norms and target energy norms of NUP-2015 from 1st October, 2020 to 30th September, 2022.

(ii) An additional penalty of 2% will be imposed on all the units which are not TEN compliant w.e.f. 1st October, 2022. This additional penalty along with the penalty imposed earlier will be in effect till 31st March, 2023, by which date all units should mandatorily be TEN compliant and no further extension will be allowed.

(iii) In case, the six urea manufacturing units namely KRIBHCO-Hazira, NFCL-Kakinada-I, NFCL-Kakinada-II, GSFC-Vadodara, RCF-Trombay-V and ZACL-Goa (after excluding the 8 urea manufacturing units which have either successfully implemented the ESS or are being allowed to use coal as mix of energy) are not able to meet the TEN even by the extended timeline of 31st March, 2023, Department of Fertilizer would move a proposal after in depth examination, for consideration of Department of Expenditure and the said proposal would be examined on its own merit.

Yours faithfully,

CMD/MD of PPL, GSFC, SFC and KFCL

Subject: Energy Norms of 4 urea manufacturing units viz. PPL-Goa, GSFC-Baroda, SFC-Kota and KFCL-Kanpur -reg.

Sir,

I am directed to refer to the letter of even no. dated 18th November 2022 regarding extension of the revised energy norms of NUP-2015 for 14 urea manufacturing units including the 4 units cited in the subject mentioned above and to convey the approval of competent authority on the followings:

- a. The Revised Energy norms of NUP-2015 (REN) of the PPL-Goa is extended with the penalty of 30% of the difference between REN and Target Energy Norms prescribed under NUP-2015 (TEN) till 31st December, 2023 or till PPL-Goa achieves the TEN, whichever is earlier, Thereafter, no further extension will be allowed.
 - b. The Revised Energy Norms of NUP-2015 (REN) of the GSFC-Baroda is extended till 31st March 2024 with the penalty of 30% of the difference between REN and TEN or till the unit achieves the TEN, whichever is earlier.
 - c. Expert Group constituted under NITI Aayog has been requested to examine the energy norms of SFC-Kota and KFCL-Kanpur and to recommend the revised target energy norms (TEN) for these units. In the meantime, the REN of the SFC-Kota and KFCL-Kanpur is extended with deduction of 30% of the difference between REN and TEN till 31st March, 2024 or the fixation of revised TEN of these units, whichever is earlier.
2. This has been issued with the approval of competent authority and concurrence the Department of Expenditure vide OM No.6(05)/PFC-I/2023 dated 31st July 2023.
