All Fertilizer Companies (as per list attached)
All Lead Fertilizers Suppliers

**Subject: Submission of Action Plan for installation of PoS devices -
regarding.**

Sir/Madam,

I am directed to refer to this department's earlier letter of even number dated 27th January, 2017 (copy enclosed) wherein all Lead Fertilizer Suppliers were instructed that any transaction other than through Point of Sale (PoS) devices by retailers will not be eligible for subsidy from 1st June, 2017.

2. It is noticed that there is a lack of availability of PoS devices, therefore, it is not possible to sell fertilizers through PoS devices, at present. In view of above, it has been decided to extend the timeline for deployment of PoS devices across the country upto 31st July, 2017.

Yours sincerely,

(Prabhas Kumar)
