MINISTRY OF CHEMICALS & FERTILIZERS
GOVERNMENT OF INDIA

ACHIEVEMENTS IN FERTILIZER SECTOR

**DEPARTMENT OF FERTILIZERS
MINISTRY OF CHEMICALS & FERTILIZERS
GOVERNMENT OF INDIA**

NEEM COATING OF UREA

- ▶ All indigenous (240 Lakh MT) and imported Urea (80Lakh MT) is being fully Neem Coated.
- ▶ Neem coating of Urea would:
 - prevent diversion for unauthorized non-agricultural purpose
 - improve soil fertility, hence productivity (6-10%)
 - promote balanced use of fertilizer
 - substantially reduce soil and water pollution
 - lower consumption of Urea will save approx Rs. 6000 crore annually
 - Farmer will get more value for his hard-earned money

NEW UREA POLICY - 2015

- ▶ New Urea Policy-2015 (NUP-2015) notified by DOF on 25th May, 2015 to
 - maximize indigenous urea production;
 - promoting energy efficiency in urea production and
 - rationalizing subsidy burden on the government.
- ▶ It is expected that the New Urea Policy will lead to additional production of 17 LMT annually in the next three years.

HIGHEST EVER PRODUCTION OF UREA IN THE COUNTRY

Production in current year (April – December) 183.7 LMT, an increase of 11.6 LMT in comparison to previous year.

PRODUCTION OF UREA INCREASED

Highest ever production of Urea in a given month 21.69 LMT (December, 2015).

HIGHEST EVER DEPLOYMENT OF RAILWAY RAKES FOR MOVEMENT OF UREA, DAP, NPK, MOP.

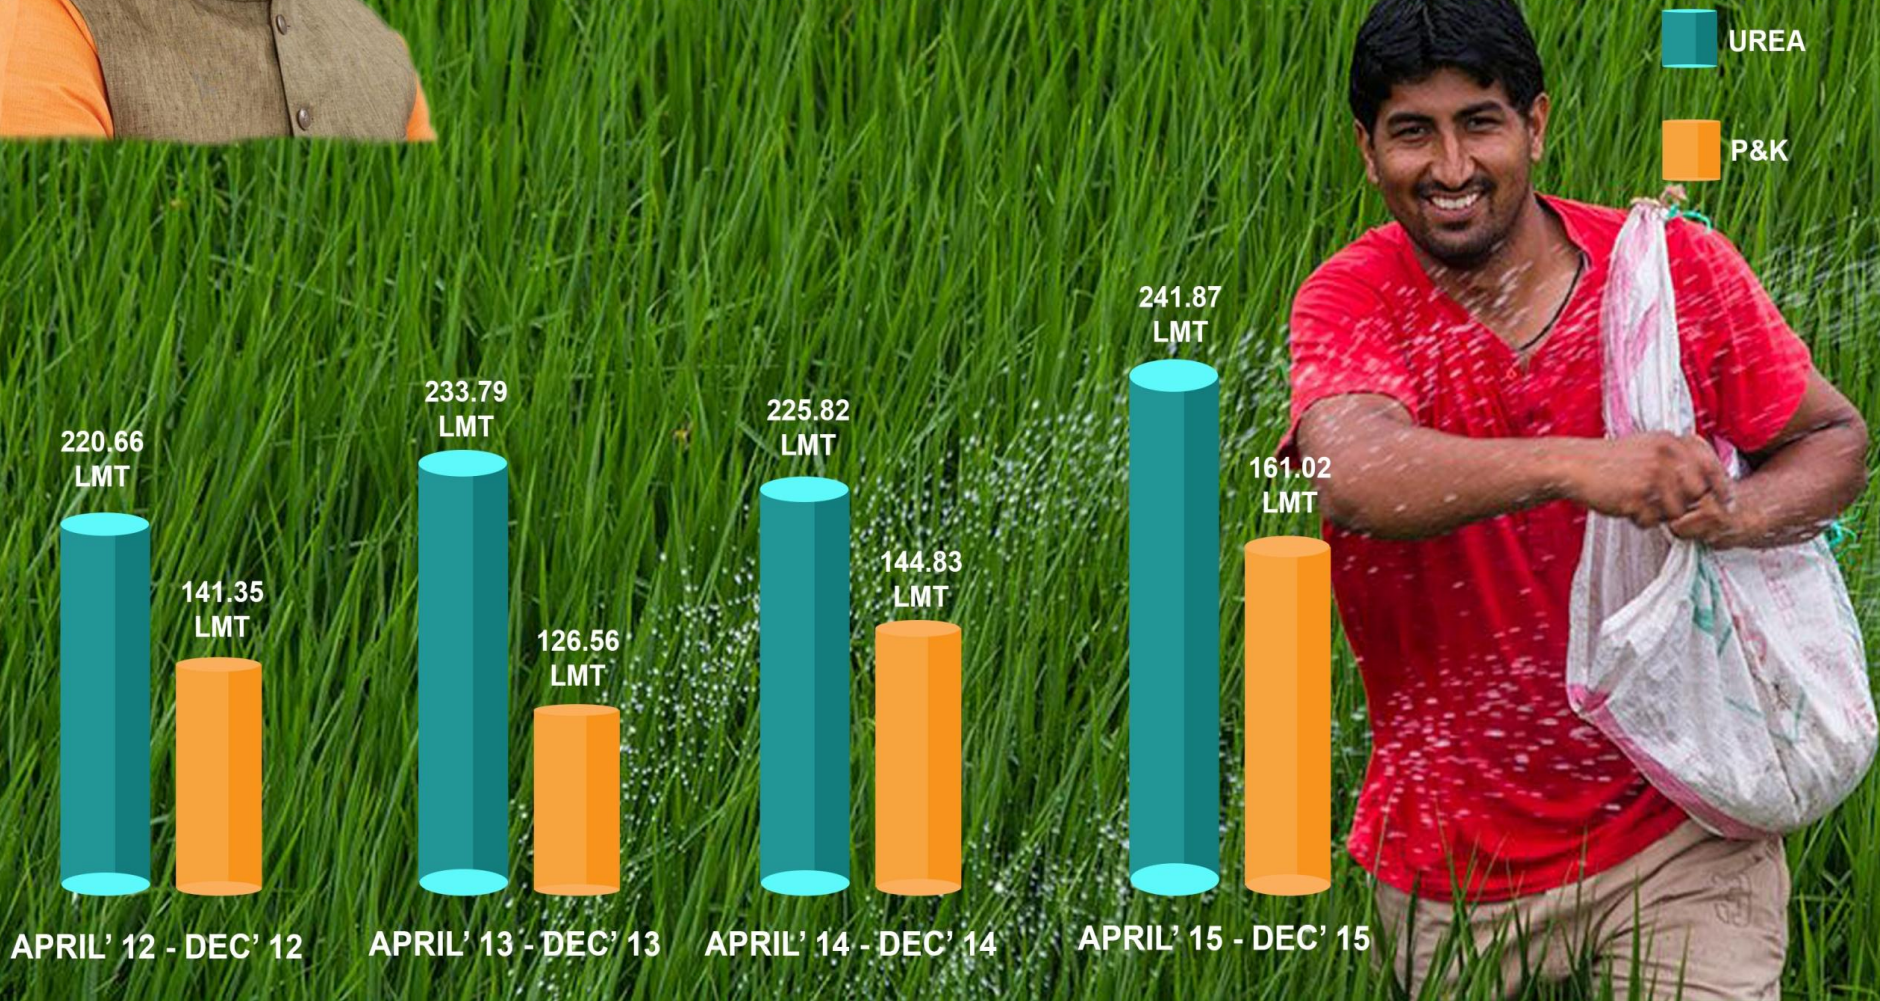

Ensured availability of fertilizers at right time to the farmers.

NUMBER OF RAKES OF UREA, DAP, NPK, MOP

HIGHEST SALES OF UREA, DAP, NPK, MOP IN LAST 3 YEARS.

REVIVAL OF FERTILIZER UNITS

- Fast tracking of revival of Talcher (Odisha) and Ramagundam (Telangana) urea units.
- Revival of Gorakhpur (Uttar Pradesh), Sindri (Jharkhand) Units of FCIL and Barauni (Bihar) unit of HFCL.
- Financial Restructuring of BVFCL, Namrup and setting up of a new Brownfield Ammonia-Urea Complex.
- It will increase production of indigenous urea by 65 Lakh MT.
