The 5th August, 2011

Office Memorandum

Subject : Production of NPKS complex fertilizers grade 14:28:14:00 in Vizag and Kakinada Plants of M/s Coromandel International Ltd. (M/s CIL) – Request by the company to take note under Fertilizer Monitoring System (FMS)/NBS.

The undersigned is directed to say that M/s Coromandel International Ltd. (CIL) vide its letter dated 27.7.2011 has informed to Department of Fertilizers that they propose to produce NPKS complex fertilizers grade 14:28:14:00 in their fertilizer plants located at Vizag and Kakinada. The company has requested to DOF to take note of the above under Nutrient Based Subsidy Policy and Fertilizer Monitoring System (FMS).

2. The above-mentioned representation of M/s CIL has been examined in the Department and accordingly, it is observed that the above-mentioned fertilizer grade (14:28:14:00) is covered under the Nutrient Based Subsidy Policy. DOF has taken note of the above and accordingly, FA Wing is requested to release payment of subsidy to the company on the above said NPK complex fertilizers manufactured by them, as per the extant guidelines dated 12.3.2009 and make necessary entries in the Fertilizer Monitoring System.

3. This issues with the approval of the Competent Authority.
